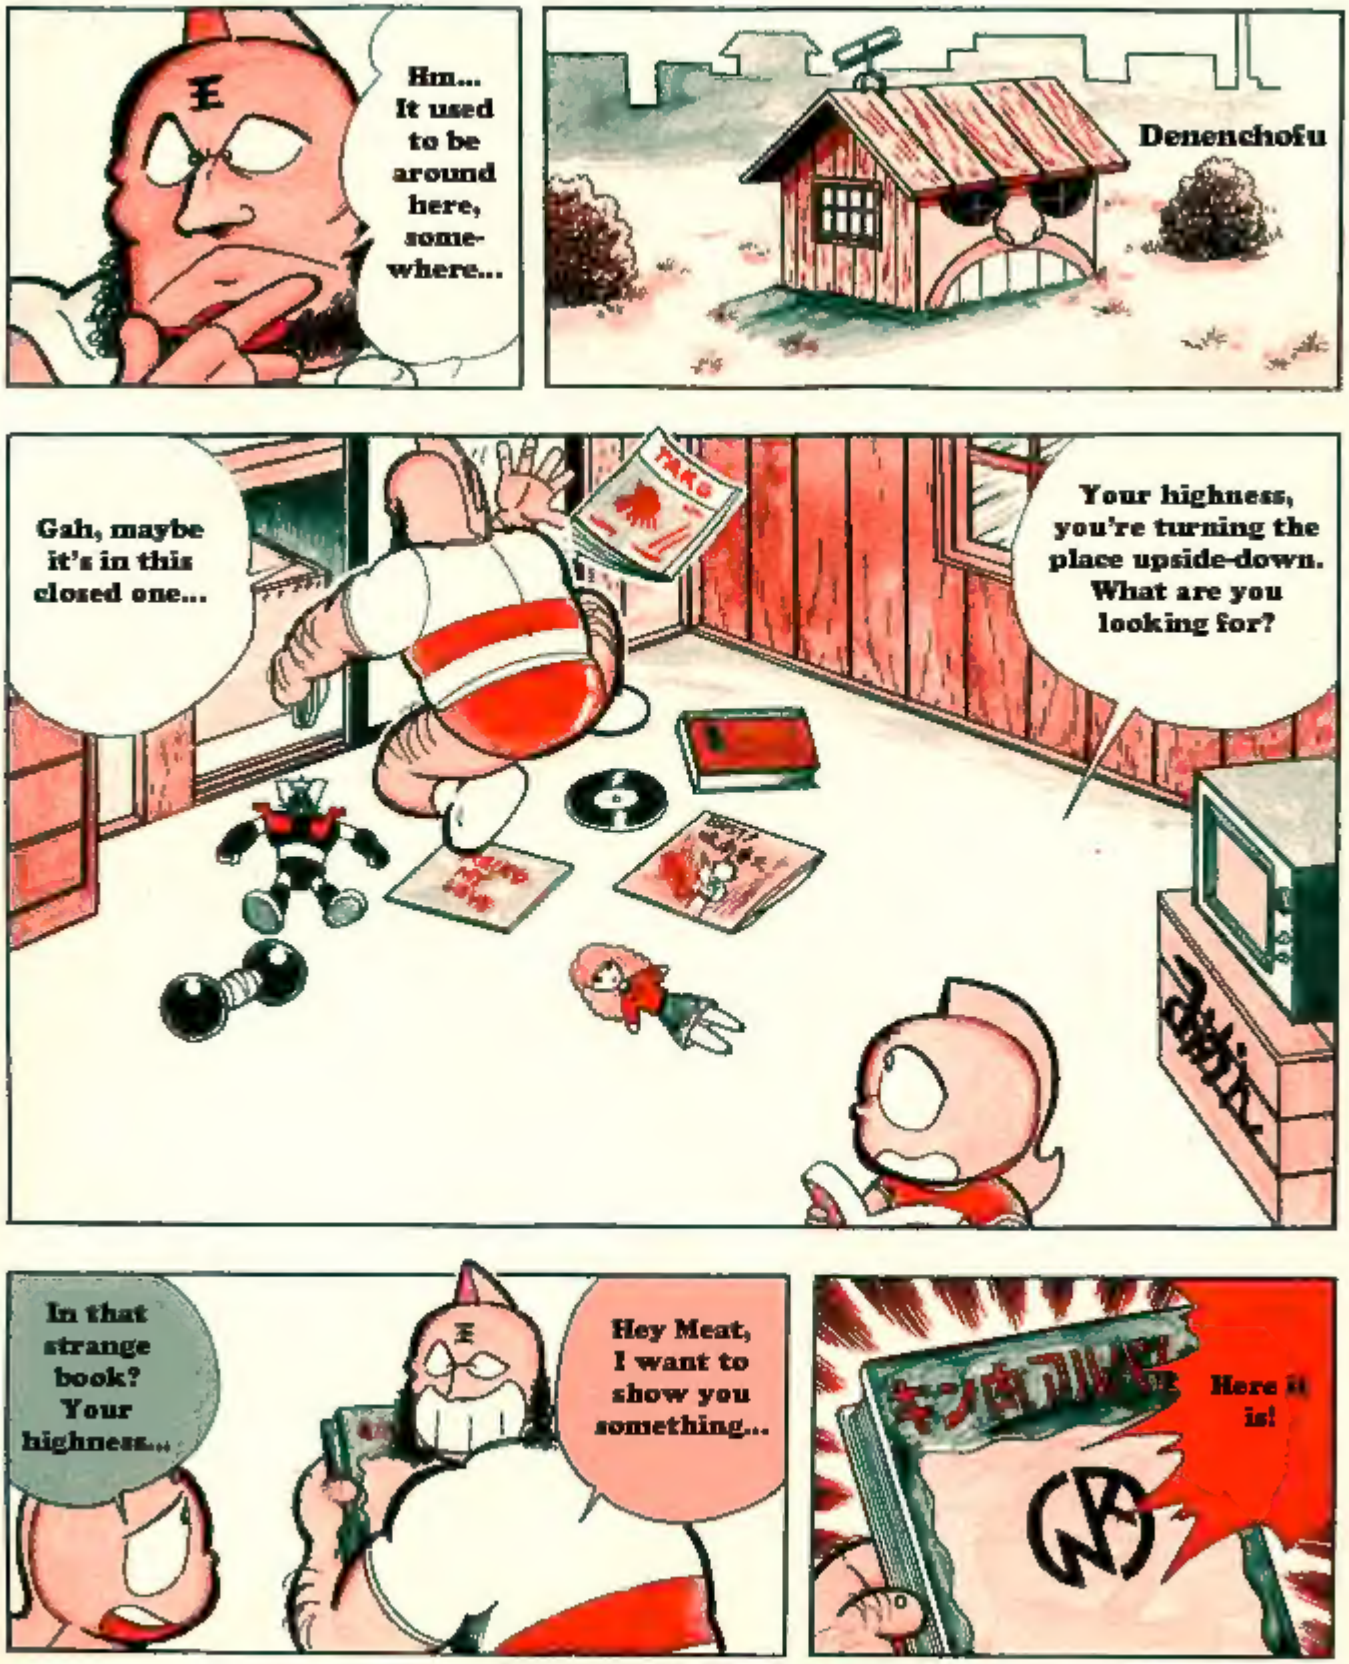
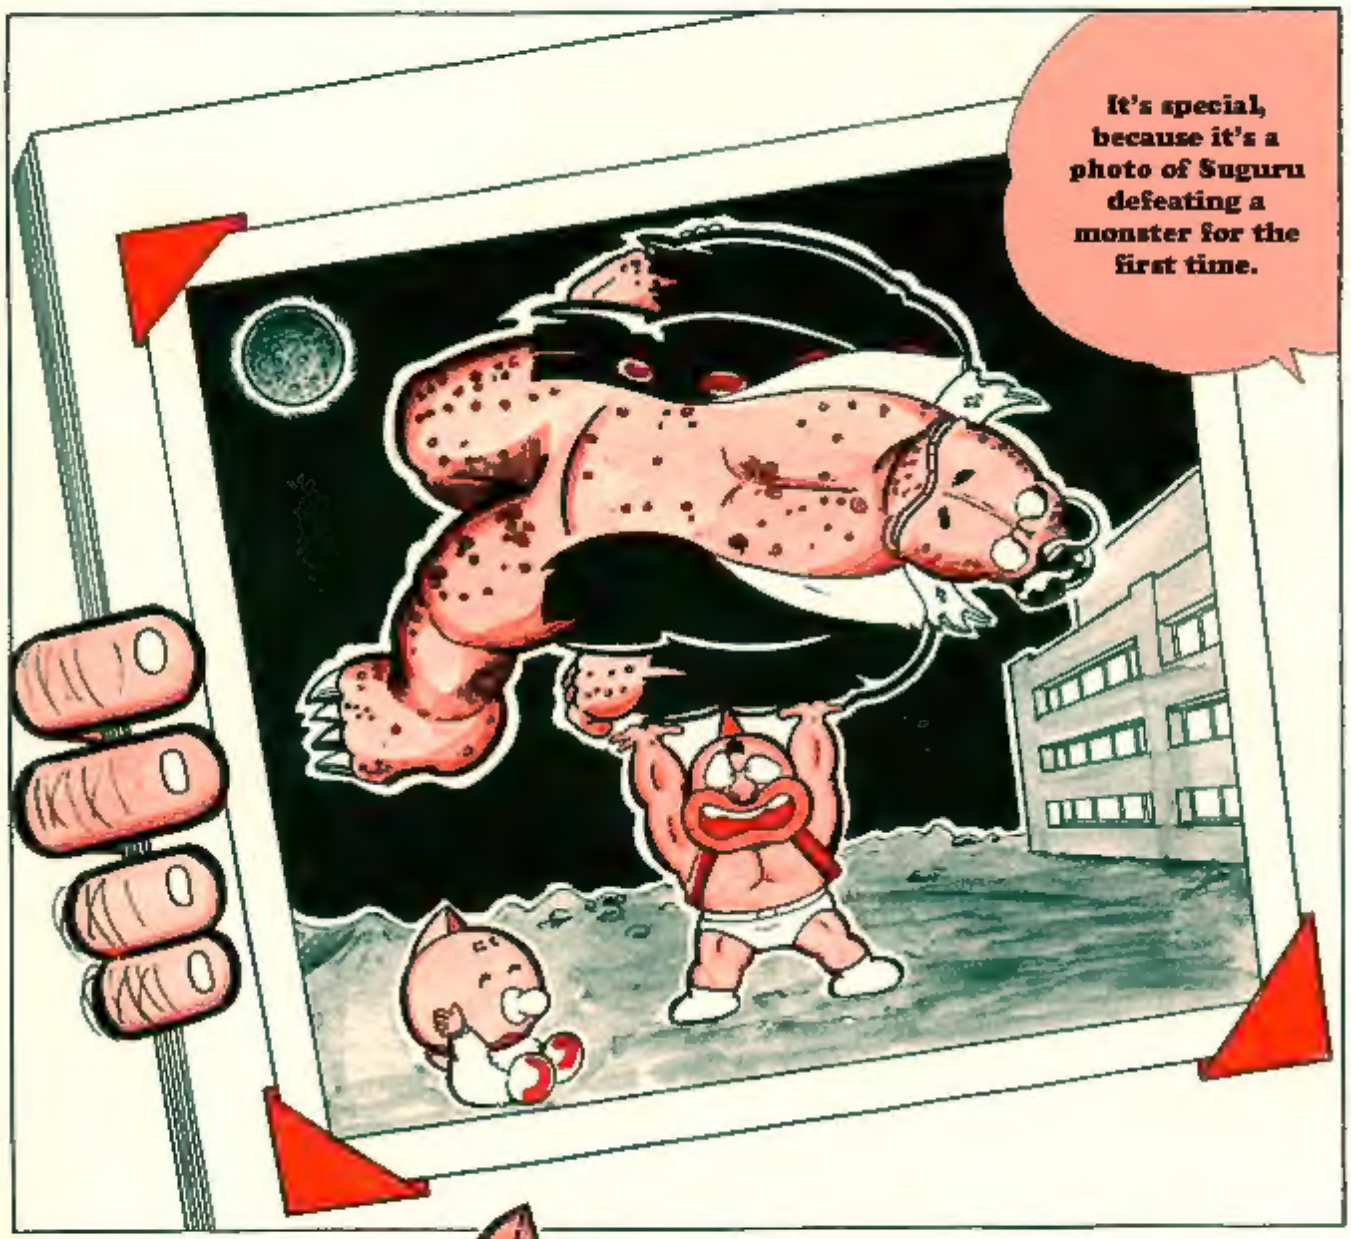
Kinnikuman

The Early Years

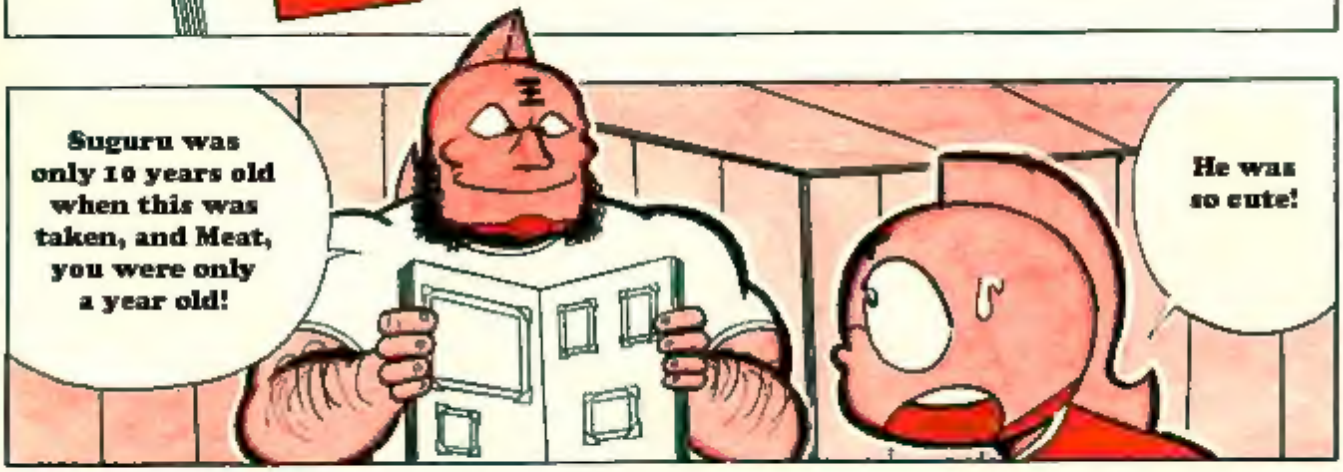
A Team Kinniku Release



Hm... It used to be around here, somewhere...
Denenchofu
Gah, maybe it's in this closed one...
Your highness, you're turning the place upside-down. What are you looking for?
In that strange book? Your highness...
Hey Meat, I want to show you something...
Here it is!

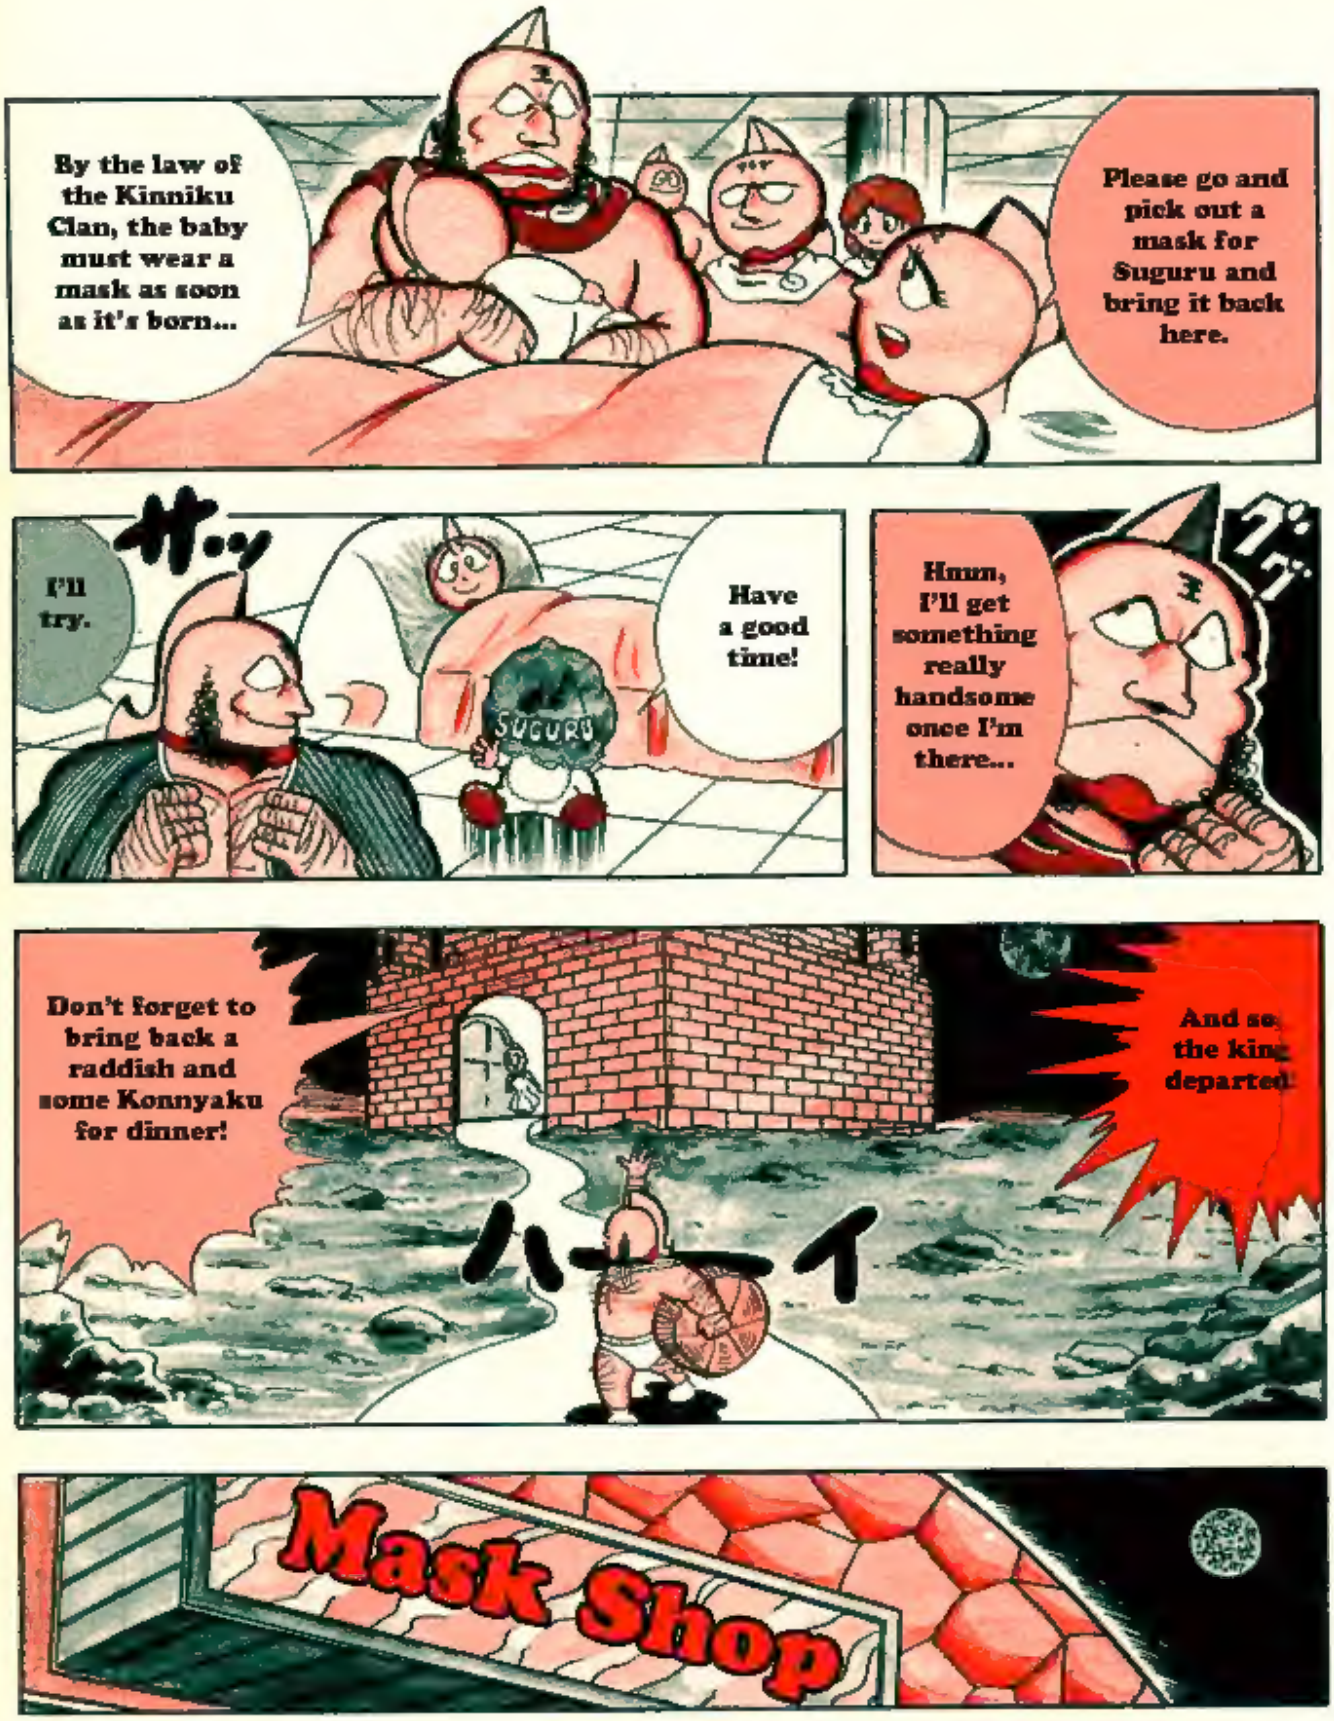


It's special, because it's a photo of Suguru defeating a monster for the first time.



Suguru was only 10 years old when this was taken, and Meat, you were only a year old!
He was so cute!

Your highness, please tell me more about that!
Is that true?
Even then, you've always been very helpful to him.
Suguru battled him when you were an orphan.
The Prince has been born!
It all started around the time Suguru was born.
バンザーイ
Let's take the grand name of Suguru Egawa and name our child "Suguru Kinniku"!
April 1st 1960, Kinniku Castle on Kinniku Planet.



By the law of the Kinniku Clan, the baby must wear a mask as soon as it's born...
Please go and pick out a mask for Suguru and bring it back here.
I'll try.
Have a good time!
SUGURU
Hmm, I'll get something really handsome once I'm there...
Don't forget to bring back a raddish and some Konnyaku for dinner!
And so the king departed.

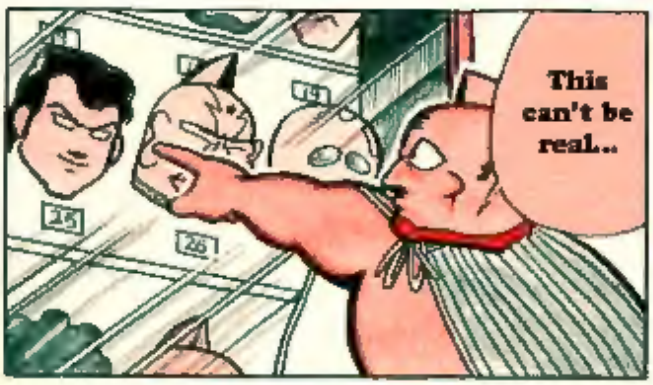
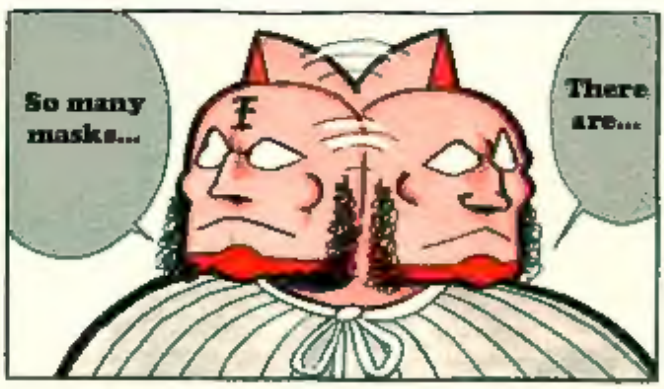
Mask Shop

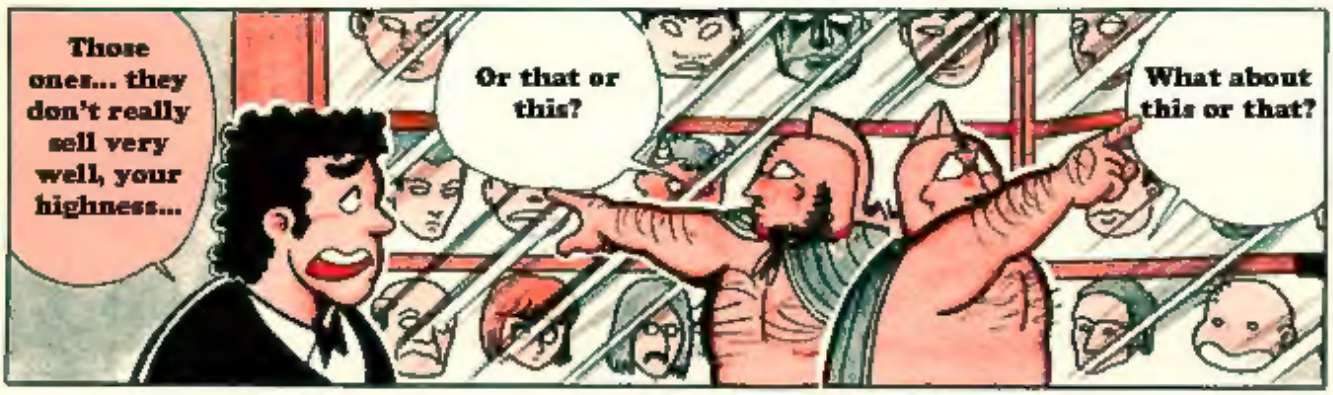
Oh, hello your majesty! Go right ahead!
I need a mask!



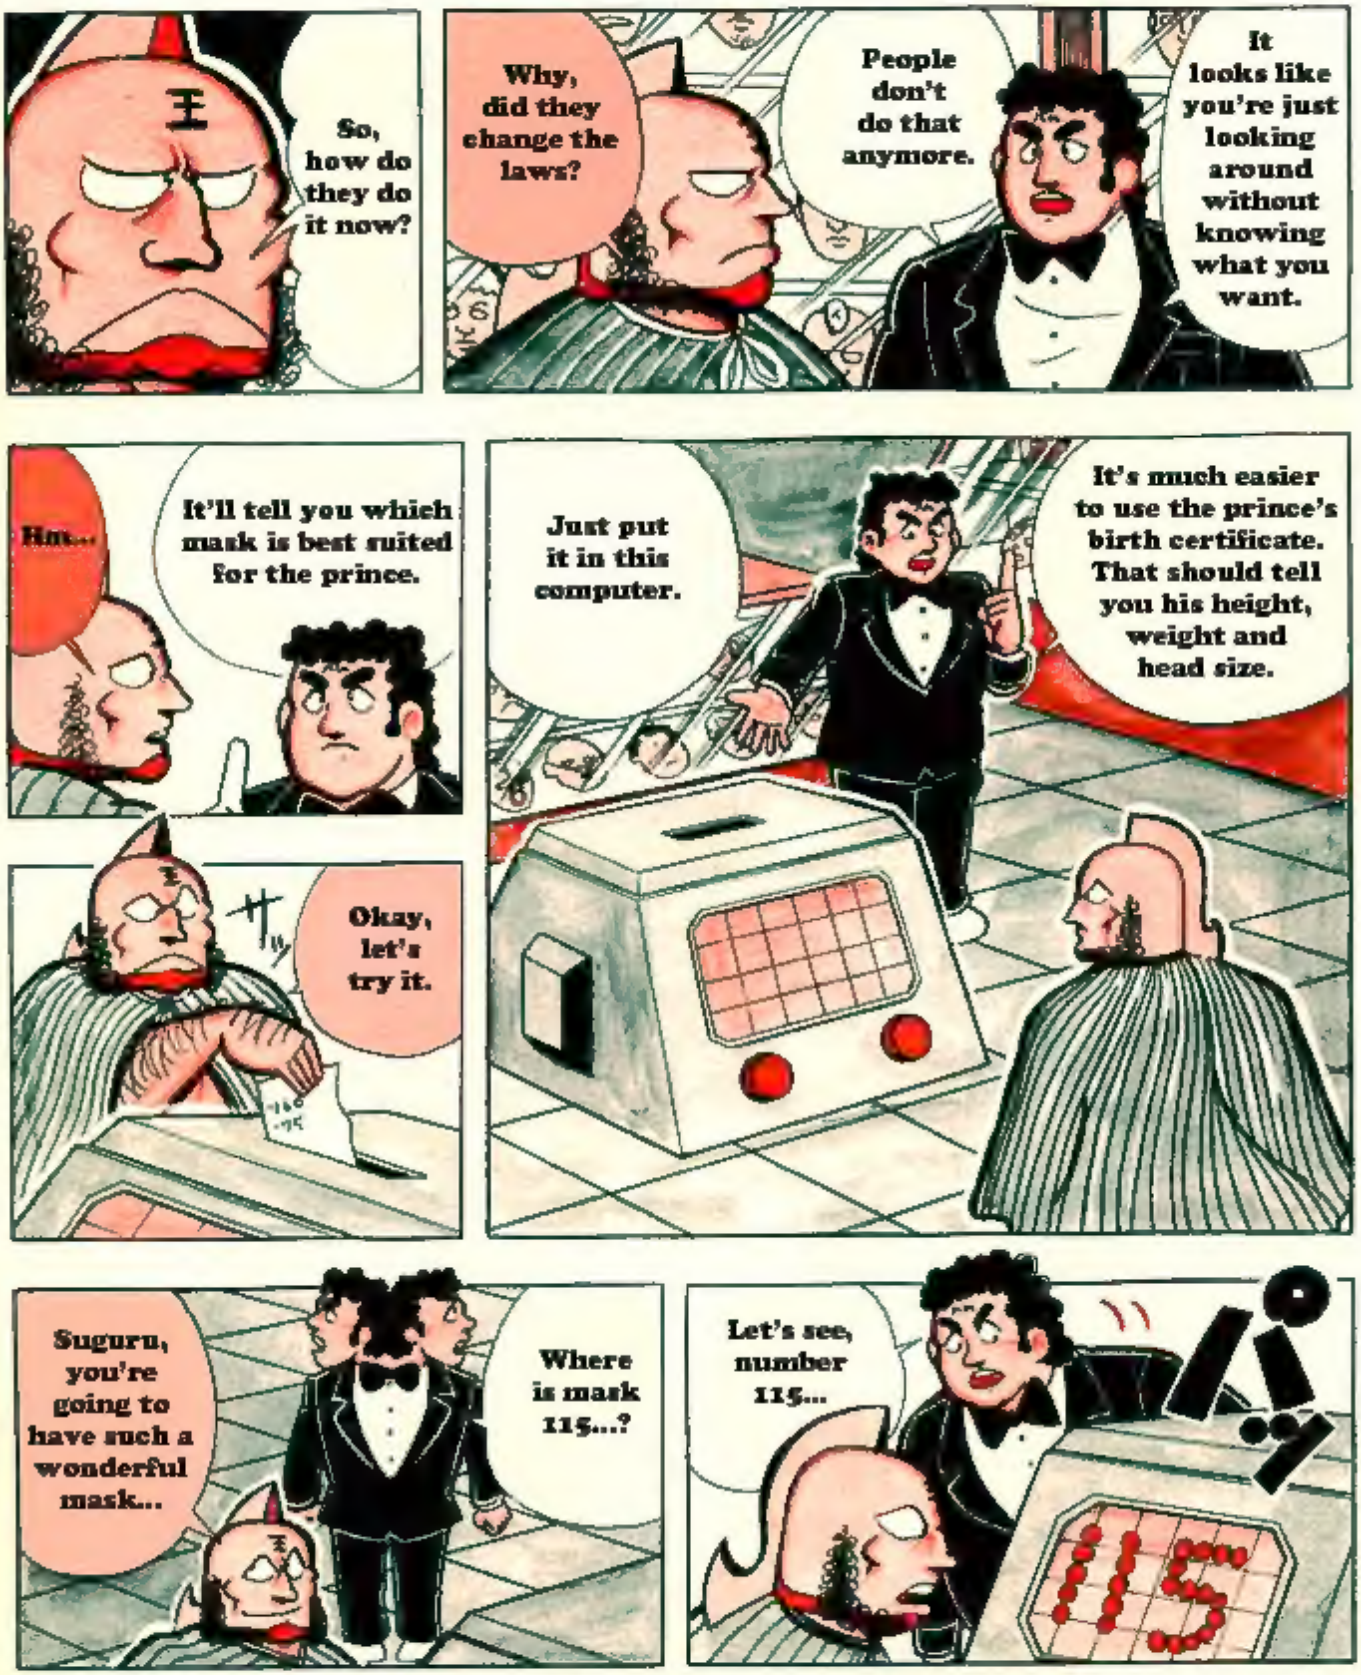
This can't be real...



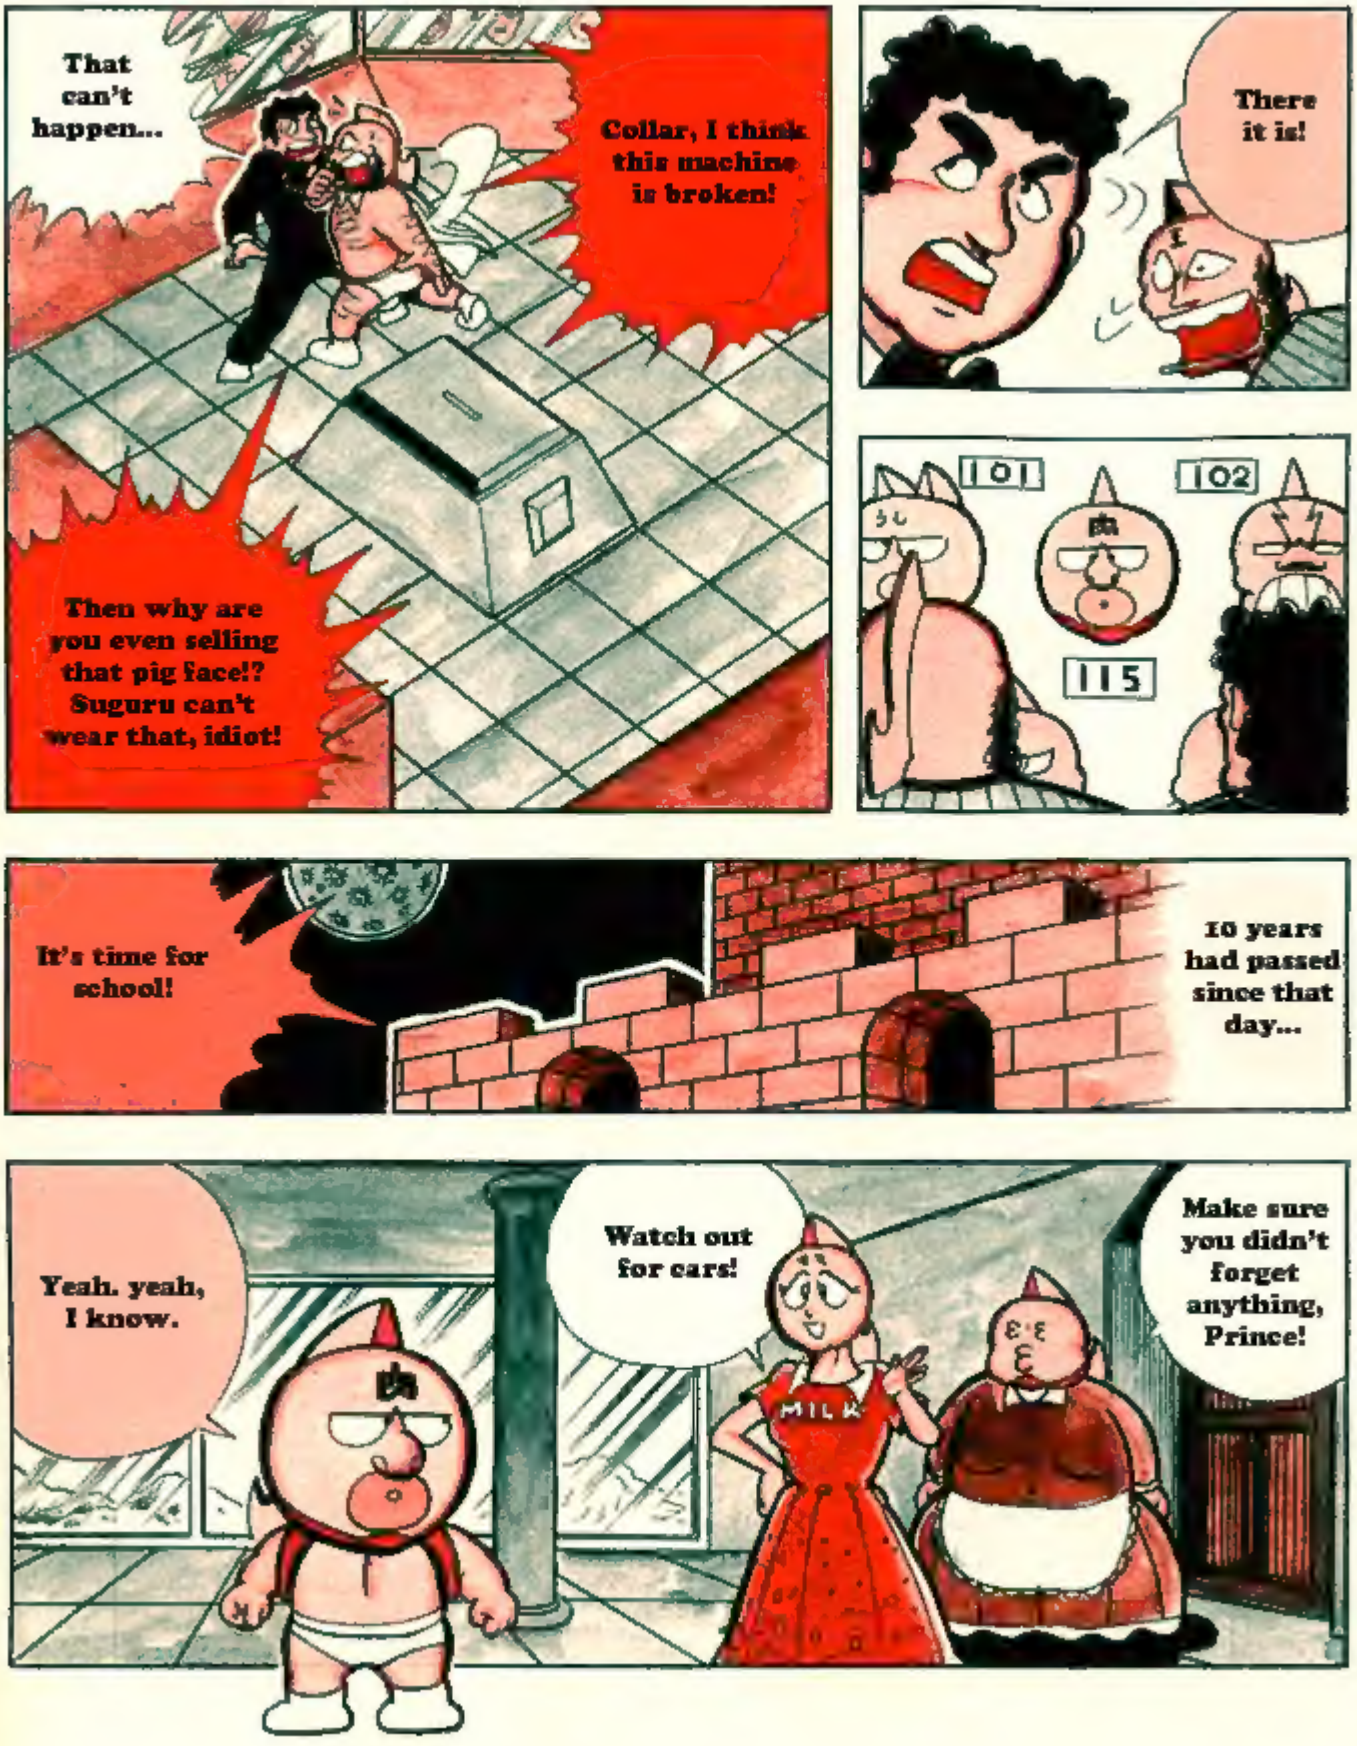
So many masks...
There are...



Those ones... they don't really sell very well, your highness...
Or that or this?
What about this or that?



So, how do they do it now?
Why, did they change the laws?
People don't do that anymore.
It looks like you're just looking around without knowing what you want.
Hm...
It'll tell you which mask is best suited for the prince.
Just put it in this computer.
It's much easier to use the prince's birth certificate. That should tell you his height, weight and head size.
Okay, let's try it.
Suguru, you're going to have such a wonderful mask...
Where is mask 115...?
Let's see, number 115...
115



That can't happen...
Collar, I think this machine is broken!
Then why are you even selling that pig face!? Suguru can't wear that, idiot!
There it is!

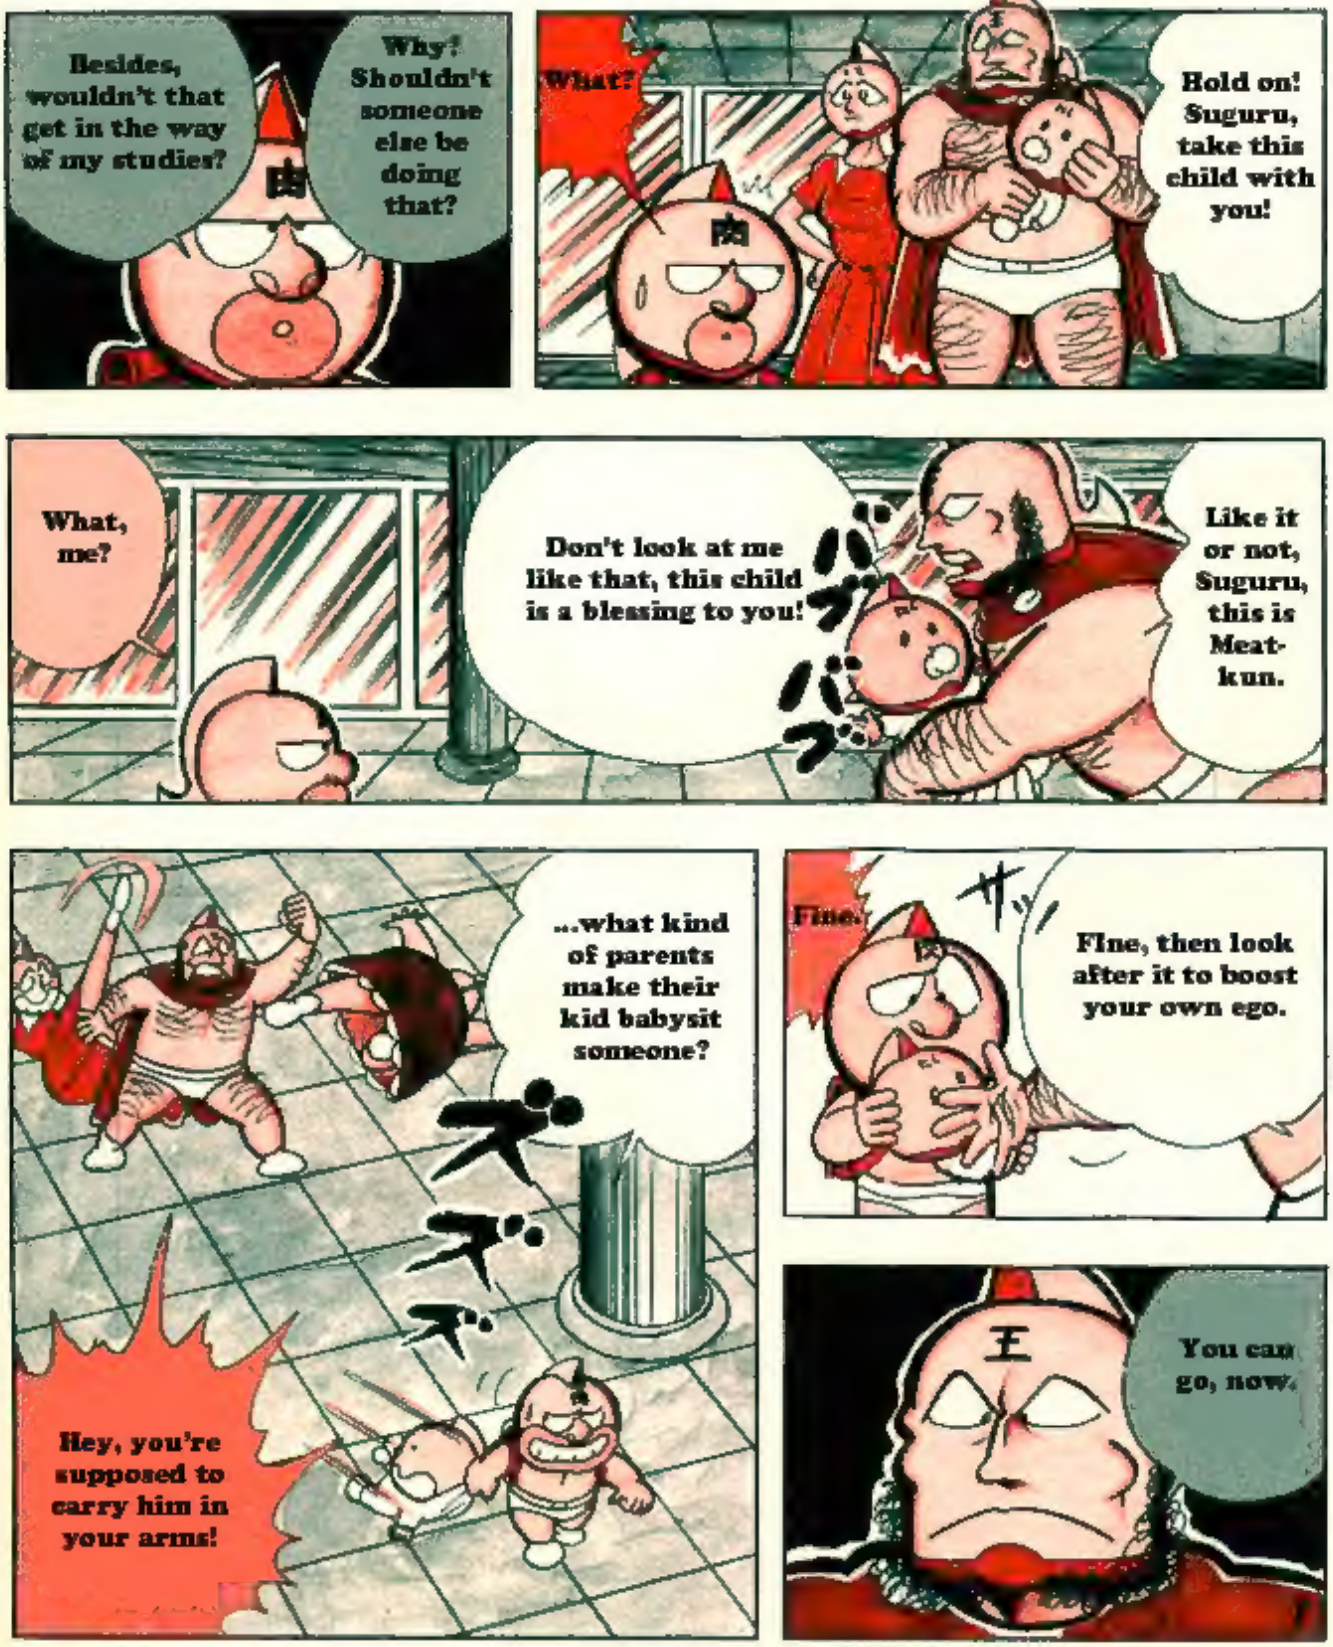
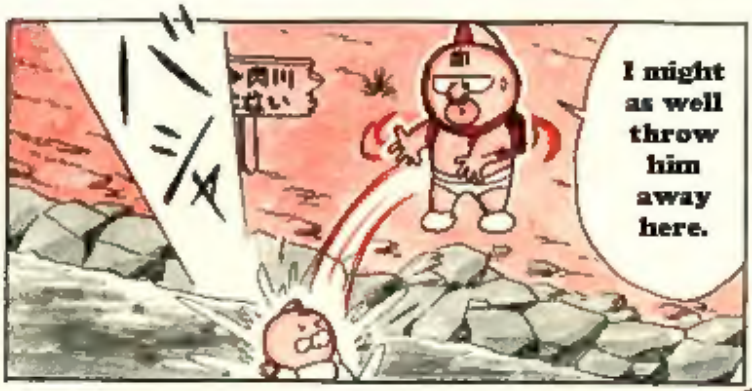
Yeah. yeah, I know.
Watch out for cars!
Make sure you didn't forget anything, Prince!
MILK



Besides, wouldn't that get in the way of my studies?
Why? Shouldn't someone else be doing that?
What?
Hold on! Suguru, take this child with you!
What, me?
Don't look at me like that, this child is a blessing to you!
Like it or not, Suguru, this is Meat-kun.
...what kind of parents make their kid babysit someone?
Hey, you're supposed to carry him in your arms!
Fine.
FIne, then look after it to boost your own ego.
You can go, now.

スタスタ



I might as well throw him away here.

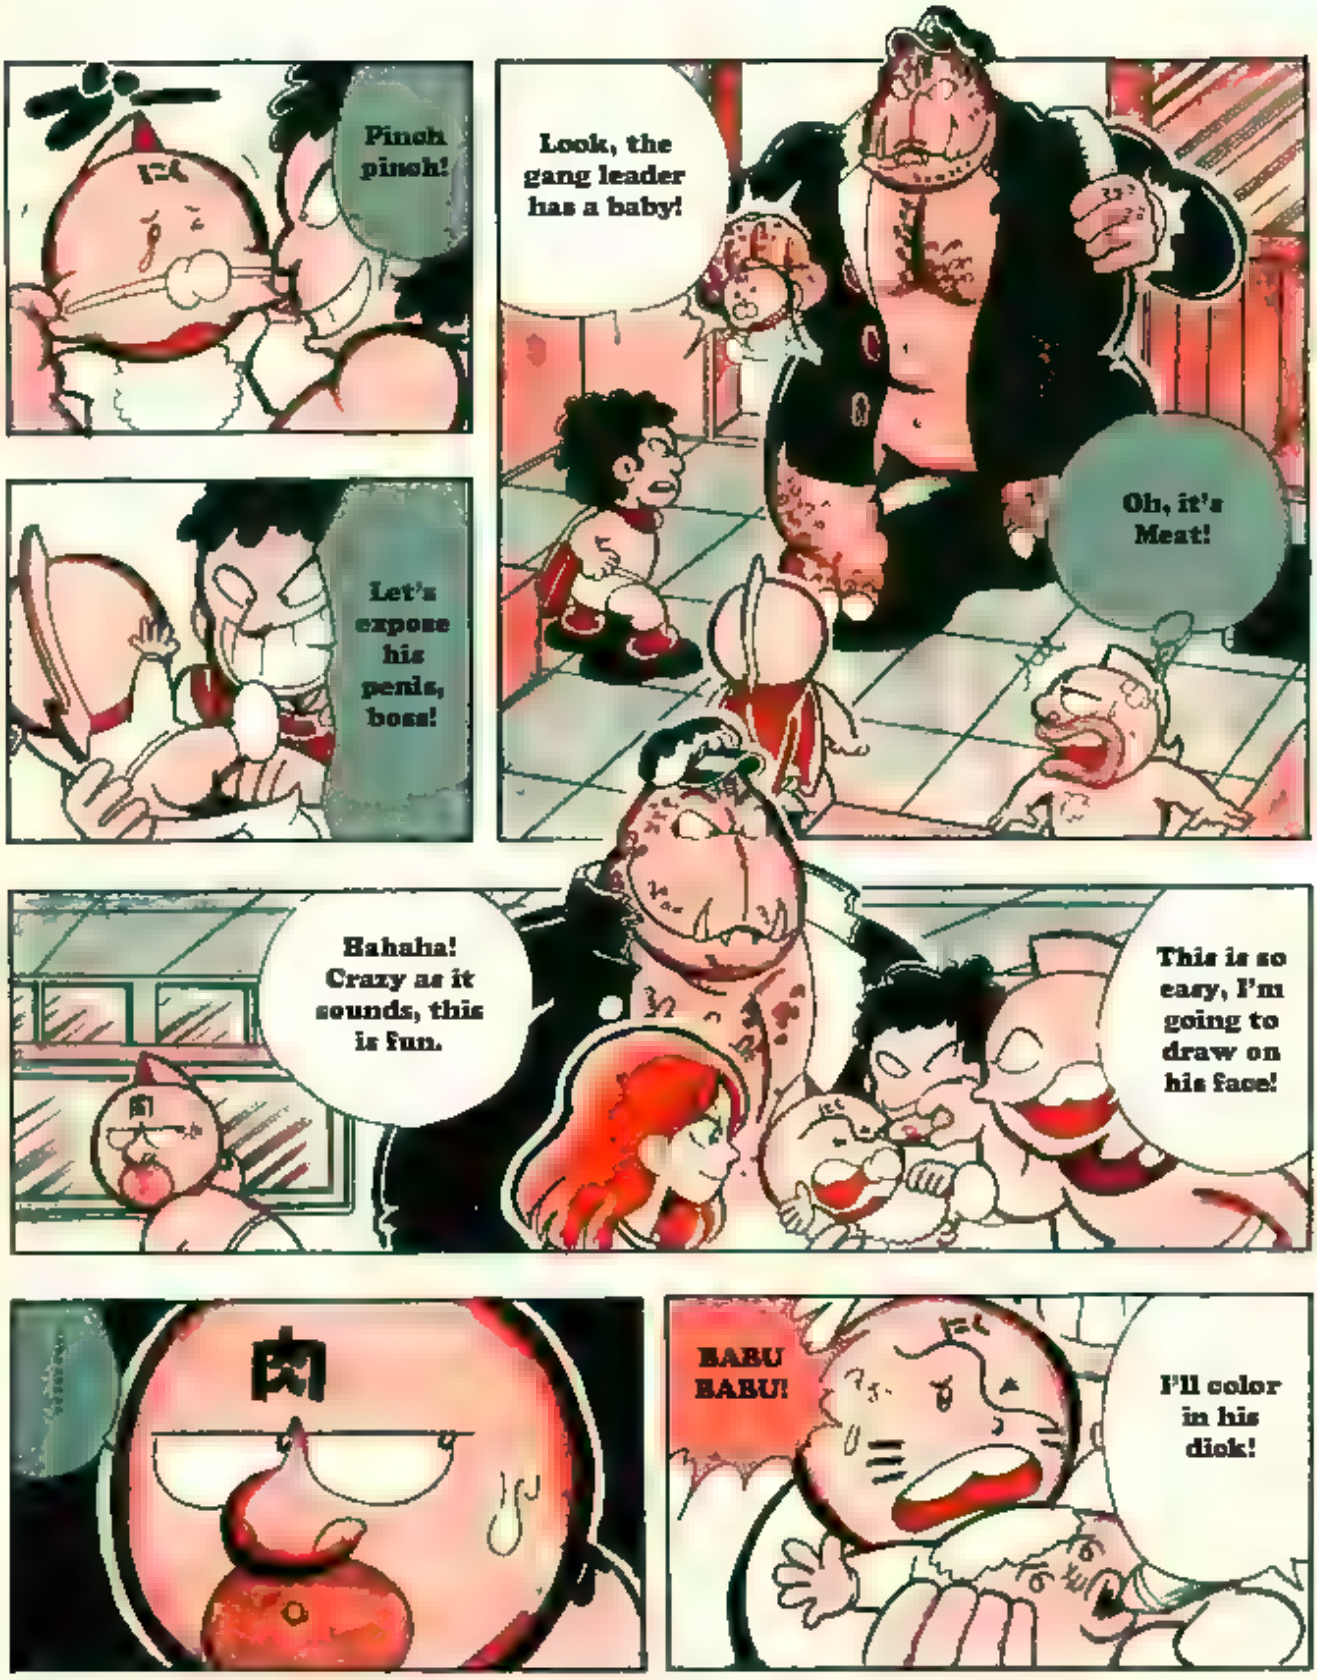
Gang
Hello everyone! Good morning!
To everyone's surprise, the Prince of Planet Kinniku was bullied as a kid.
おわーッ

When he used the bath-room, every-one used the bath-room on him.
During Phys. Ed, they used him as the ball.
In class, he was mocked by the teacher, too.
BABU! BABU!
Yo! We found this in the Phys Ed room!



Pinch pinch!
Look, the gang leader has a baby!
Oh, it's Meat!
Let's expose his penis, boss!
Hahaha! Crazy as it sounds, this is fun.
This is so easy, I'm going to draw on his face!
